The Aim

The Courses

Integration Courses are made for foreigners, persons seeking asylum and refugees. In these courses participants learn the German language and they get acquainted with living conditions in Germany. The overall aim is that immigrants will manage their stay in Germany without major help. This will improve the living perspectives of the participants in Germany and their chances of getting a job.

ZIB in Solingen offers the German language course and the so called orientation course with a total of 700 hours.

Language Course

Contents

The language course introduces the participant to the basics of the German language with the help of everyday tasks.

Topics of the Language Course

- Personal relationship and making Contact
- To go shopping
- Living
- Money
- Health – Illness
- School – Job – Working
- Leisure

How will you learn?

- Education in a group with similar knowledge
- Self learning units in a computer orientated workplace.

Orientation Course

Contents

The Orientation Course gives you more detailed know how regarding social and economic life in Germany.

The Orientation Course will help participants to find their way in German society and to integrate more easily.

Topics of the Orientation Course

- Legal system
- History of origins and development of the Federal Republic of Germany
- Cultural life in Germany
